

City of Lake Butler Fall Beautification

The City of Lake Butler is starting early for this year's Fall Beautification! Due to Hurricane Irma, the Fall Beautification will begin NOW through October 31, 2017!

It's that time of year, the annual Fall Beautification in Lake Butler!

It's the perfect time to begin that Fall Cleaning that you have been wanting to do! Between NOW and October 31st, the City of Lake Butler will be providing the removal of extra trash and debris for residents at no additional cost, in order to help keep our community clean! We are starting early this year to help our residents remove the debris left behind after Hurricane Irma, and spruce up their yards for fall/winter!

Hurricane Debris Removal

Got a Junk Car? Call Lake Butler City Hall to make arrangements to have it hauled away for free! (386) 496-3401

It's the perfect time to prune or plant a new tree! Clean up your yard and prep for winter!

Let's all take pride in our community and do our part to help keep it clean!
