B. AGENDA ITEM NUMBER

Action: 1. Resolution 2021-19 - Fiscal Year 2021-2022 Millage Rate

-Mike Cotter, Finance Director explained that a procedural process is required to comply with the TRIM process. The commission needs to approve a resolution accepting the 2.75 mills as the ad valorem tax rate, which is 2.84% less than the rolled-back rate of 2.83. The rate had been previously discussed in July when it was approved for the property appraiser, and what is needed tonight is to have a vote of the Commission that will accept the rate prior to voting to accept or reject the budget and neither of those things have changed.

-Motion to approve Resolution No. 2021-19 by Title Only made by Commissioner Stegall.

-Title read by Mayor Schenck

-Motion seconded by Vice Mayor Redman.

-Unanimous Approval

Action: 2. Resolution No 2021-20 - Re-Approving the 2021-2022 Fiscal Year Operating Budget

-Mike Cotter stated that this is the exact budget that was previously voted on and approved. We are requesting a revote to approve the budget as a resolution to follow the acceptance of the millage rate.
